Jim,

Does the County have any well records for assessor's parcel numbers (APN) 612-091-1300, 612-030-1800, 613-030-2800 or 613-030-3500 (see attached map). There are several wells with 9-inch conductor casings located on the property with unknown production capacities.

Cheers,
Trey

TREY DRISCOLL, PG, CHG

WELL COMPLETION REPORT REQUEST--OWNER

California Water Code Section 13752 allows the release of copies of confidential Well Completion Reports to any person who obtains written authorization from the owner of the well. Well owners may use this form to authorize the release of a Well Completion Report by the Department of Water Resources. DWR requires the township, range, and section of the property where the well is located to start a search. Attach a map or a sketch with a north arrow, and provide as much identifying information listed below as possible; use additional paper if necessary. Sign the form, and submit it to the appropriate DWR District office.

Location of well (city and county): Boulevard, San Diego County Year drilled: unknown

Street Address: intersection of McCain Valley Rd and Old Highway 80

Distances and directions from cross streets or other landmarks:

see attached figure

Township 17S Range 7E Section 21,26,27 Quadrant _____ Well Use irrigation, Ag.

Owner at time of drilling Unknown Driller unknown

Depth of well varies Diameter and type of casing mild steel casing

Other identifying information, such as assessor's parcel number (on tax statement), subdivision or tract, lot number, well number, well completion report number, driller, date completed, etc.:

APN(S) 6120911300, 6120301800, 6130302800, 6130303500

I certify that I am the present owner of the well described above.

Complete this part only if you wish a copy sent to someone other than yourself. Please send a copy of this Well Completion Report to:
